### A celebration with ...

Gospel music and storytelling come together to surprise, delight and remind us all of the unique and diverse ways we express ourselves. When a young woman from Brooklyn struggles to find her place in the world, she is surrounded by a community of women that transcend place and time to infuse her with stories of faith, fortitude and pride.

... **hattitude!**

### A play about a good woman ...

It's the party of the social season, but instead of celebrating, Lady Windermere suspects her husband is having an affair with a mysterious and beautiful stranger. As rumors swirl and secrets are revealed, the Windermers' lives are upended and threatened to end in disgrace. This comedy classic from Oscar Wilde will charm you with its cleverness and wit

... and a fan.

**The poignant tale ...**

In this sweeping musical that soars like the Minnesota skies, a young German woman crosses the sea to marry a man she's never met. What should be their happy ending is met with suspicion and prejudice as friends and neighbors abandon them. But when hardship befalls the community, Inge and Olaf sacrifice everything to save their friends.

**... of an American immigrant's experience.**

**A mystery ...**

Sherlock Holmes is back and searching for clues to explain a mysterious death on a haunted moor. Five fearless actors conjure over 35 characters to deliver laughter and chills in this dizzyingly inventive adaptation of *The Hound of the Baskervilles*. Bite your nails and howl with delight as Holmes and Watson face their most diabolical case ever.

**... that's murderously funny.**
