*"The feast is about destiny and art, and the joy of living in the now."*  
The New York Times

*"Fellowship invites a bubbling up of all the gifts of each man and woman around the table — and that is the true wonder of the feast."*  
The National Review

**SEATTLE, WA** – March 20, 2020 – Crossing thousands of miles in search of asylum, Babette finds safety across the fjords in a tiny mountain village. But petty squabbles and personal slights render the pious villagers as frigid and unforgiving as their surroundings. In one radical act of generosity, Babette prepares a feast so lavish it awakens grace and transforms brittle hearts.

This deliciously theatrical new adaptation of *Babette's Feast*, based on the short story by Isak Dinesen, uses pantomime and minimalist stage properties to tell its story. Well-known for its academy-award-winning screen adaptation in 1987, the stage version of the story draws audiences in with its use of imagination and entices them to think beyond what they can see on the physical stage.
